

Amateur Astronomers, Inc. invites you to...

# Experience Your Universe

Amateur Astronomers, Inc.  
Proudly Presents

## Members' Research Projects

### AAI Members

AAI reserves this month's lecture for speakers from among our membership. These members will share their year's research activities, discuss endeavors in astro-imaging, telescope making projects, as well as other astronomical enterprises.

Following the presentation, join us at the William Miller Sperry Observatory for refreshments and the chance to look through two of the largest amateur telescopes in the North East (weather permitting).

Sperry Observatory is open to the public every Friday evening, clear or cloudy, between 7:30 and 10:30 pm for an informal talk and observing.

AAI has been bringing the night sky to the public for 75 years.

### WHEN

May 15, 2026  
9:00 pm

### WHERE

Roy Smith Theater  
Cranford Campus  
UCNJ
